RC954H - RATCHETING CABLE CUTTER

The **RC954H** combines a unique design with quality construction to afford speed, ease of use, and safety to the operator.

FEATURES:

- Extra heavy duty "C" Jaw design & simple long-life ratcheting mechanism.
- Thumb slide release allows rapid opening or closing.
- Single lever allows easy switch from opening to closing.
- Reinforced fiberglass handles with a protective polyvinylchloride coating.
- Practically half the size of standard ratchet cutters at less than half the weight.
- The large cutting capacity of these tools requires less than 50% of the ratchet opening of standard tools.

Length: 23 inches
Spread: 31 inches
Blade Opening: 1-7/8 inches
Weight: 4 lbs.
