

RELIABLE EQUIPMENT & SERVICE CO., INC.

PROTECT YOUR VALUABLE AMP TOOLS AND ACCESSORIES

AMP Tool Kit (7 Piece)

Kit Includes: **69612** Universal Power Unit, **69633-2** Head (Lg), **47667-8** Head (Sm), **69847** Clip (Yellow Tap), **69947** Clip (Type II), **69685-1** Clip (Blue Tap), **314199-1** Cleaning Tool

Shown with Large Tool Assembly

Accessory Cup

Shown with Small Tool Assembly

REL-PAT-BOX

This box has been designed specifically to accommodate the AMP powder actuated tools and accessories.

The steel construction is strong yet compact. A rubber liner reduces noise when carrying. When you are finished using the required large or small tool assembly, simply move the accessory cup to accommodate the tool without disassembly. *(Refer to photos Left)*
