

Tooling solutions for the power utility industry.

REL-45116

RELIABLE - RECHARGABLE BOX LIGHT

REL-45116 - INDUSTRIAL - can be charged with AC or DC power for maximum versatility.

REL-45107 - TRUCK MOUNT - Complete with hard wire rack that can be mounted to the DC system of any Utility, Fire, or Safety vehicle.

REL-BH - HOLSTER Utility Bucket Mount

FEATURES:

Tough, weatherproof, ABS, thermoplastic design.

Swivel neck allows 360° rotation of lamp head.

Zero maintenance rechargeable battery delivers eight hours of power to the 8 watt spot without recharging. Rechargeable up to 500 times.

New Bi-pin bulb lasts twice as long as sealed beam lamps and is small enough that you can store a spare bulb in the head assembly.

Wall mounted in it's own recharging rack.

Twin LEDs give charge feedback.

(Red is charging, green is fully charged)

REL-BH
