

## BASHLIN LINEMEN'S TOOL BELTS

**STANDARD - FIXED "D" - 1511N**

**SEMI-FLOATING - SHIFTING "D" - 88**

**REST-A-BACK - 88B**

**Standard equipment** includes: "4 "D" rings for gut strap attachment (exception - Hip-Grip and Rest-A-Back belts), tape sling, knife snap, glove bag ring, and hammer loop on the left.

**NOTE:** D18, D19, and D20 belts have less than 4 tool loops due to the shorter belt section.

**S-Shaped "D" Rings** - Toe lies away from the belt for easier snap engagement, while the curve reduces pressure on the hip for comfort.

All Leather Cushion Section - The glove soft, rolled edge cushion provides for a belt which is cooler in the summer, yet flexible in cold weather.

**Top Quality** - Utilizing the highest quality hardware, nylons, and leathers available.

## ORDERING TOOL BELTS

Proper sizing is one of the most important considerations in the purchase of a lineman's tool belt. An improperly sized belt is uncomfortable and may cause an accident or injury.

These tool belts are measured by the "D" size, which is the distance between the heels of the "D" rings. All linemen's tool belts must be ordered according to the "D" size.

### To Find Your "D" Size

1. Locate the point where the heel of the "D" ring should rest. This is approximately 4" down from the top of the hip bone.

2. Begin to measure from this point. Measure around the buttocks to the same point on the opposite side.

When a properly sized tool belt is worn, the "D" rings will point nearly straight ahead and the tongue adjustment will be in the center holes.

The tongue buckle section is sized in relation to the "D" measurement.

There are normally nine holes in the tongue, 1" apart, allowing 8" of adjustment.

## BELT ADJUSTMENT IN INCHES - PER ASTM

D Size	Min.	Center Hole	Max.
D18	32	36	40
D19	33	37	41
D20	34	38	42
D21	36	40	44
D22	37	41	45
D23	38	42	46

D Size	Min.	Center Hole	Max.
D24	40	44	48
D25	41	45	49
D26	42	46	50
D27	44	48	52
D28	45	49	53
<b>Special Order Sizes Available</b>			

### Stock and Special Belts

Bashlin stocks right handed belts, Size D-18 to D-26. Belt sizes may vary on different style belts. Larger belts, up to D-32, may be ordered. There is an additional cost for Sizes D-29 to D-32.

Belts and Holsters with left hand design are available at no additional cost. Add LH to the part number.

Please allow additional time for all made-to-order belts.

All "made-to-order" belts are non-returnable. Please state your specifications carefully.

*Tooling solutions for the power utility industry.*

## 88 - THE FLORIDIAN

Superior design and performance make this belt the industry standard. It combines a padded contour cushion section with flares for the shifting "D" rings and a 5-1/2" back. This belt gives excellent support and climbing comfort. A unique wearable quality makes this belt practical as well as economical.

88

## 88B - BACK SUPPORT TOOL BELT

Relieve strain and fatigue. The 88 series belt with the back support option.

*Standard belts are not padded, but padding is available.*

88B

## REST-A-BACK SIZING CHART

Upper Tongue Adj.

D18	29-36"	D25	36-43"
D19	30-37"	D26	37-44"
D20	31-38"	D27	38-45"
D21	32-39"	D28	39-46"
D22	33-40"	D29	40-47"
D23	34-41"	D30	41-48"
D24	35-42"	Special Orders Avail.	

## 1511N - THE WRANGLER

A 5" cushion section, a nylon back, and a 6 ply tongue and buckle section are features of this practical favorite. It is lightweight with standard comfort features, including Bashlin's S-shaped "D" rings and an all leather cushion.

*This is only a sampling of the models available. Contact your Reliable Equipment representative for further information and options.*

1511N

## POSITIONING (POLE) STRAPS

Made from 1-3/4" wide 6 ply neoprene coated nylon, tongue/buckle adjustment, and Red wear indicator. *Remove from service when the red shows.* Features double action locking snaps per OSHA requirements. The "L" style feature Haun Forge snaps, and requires the lock on the back to be released before it opens. The "LB" style has Bourdon snaps, and has a lock on the front that is released before the latch opens.

Length	Haun	Bourdon	Weight
5' 6"	51N-2L	51N-2LB	3.75 lb.
6"	52N-2L	52N-2LB	3.75 lb.

Additional modes and options are available.
