

Tooling solutions for the power utility industry.

88 - THE FLORIDIAN

Superior design and performance make this belt the industry standard. It combines a padded contour cushion section with flares for the shifting "D" rings and a 5-1/2" back. This belt gives excellent support and climbing comfort. A unique wearable quality makes this belt practical as well as economical.

88

88B - BACK SUPPORT TOOL BELT

Relieve strain and fatigue. The 88 series belt with the back support option.

Standard belts are not padded, but padding is available.
